

DE

- Zwischenwände dienen zum Verschluss der Regalrahmen F3 oder F4.
- Die Basisversion dient zur Schließung einer Seite des Rahmens.
- Um beide Seiten zu schließen wird auf die Basisversion eine einfache Zwischenwand montiert.

IT

- Pareti interne servono per chiudere la luce libera fra le traverse delle fiancate F3 o F4.
- A seconda dell'altezza varia la misura.
- Possibile chiusura su uno solo o due lati.

EN

- Partitions are used to close the F3 or F4 shelf frames.
- The basic version is used to close one side of the frame.
- To close both sides, a simple partition is mounted on the basic version.
