

DE

▪ Wandverkleidungen finden überall dort Einsatz, wenn es darum geht Regale oder Regalschränke mit erhöhten esthetischen Anforderungen zu realisieren oder auch nur einen geschlossenen Abschluss der Stirnseiten zu erzielen.

IT

▪ da utilizzare per coprire parti "a vista" posteriori o anteriori di armadiature o la parte anteriore degli scaffali Procross, rendendoli arredi dall'estetica più gradevole.
▪ fissate sul retro delle fiancate e avvitate internamente;

EN

▪ to close the rear part of cupboards or the front of Procross shelves visible to the public, curtain walls can be used for a more attractive look;
▪ fixed on the back of the side frames by means of screws fastened from the inside;
